Section 4.4 of the Revised Disclosure Rules

Subject of the Disclosure

ICTSI, through its wholly-owned subsidiary, CGT, in partnership with the DOT, launched the country's first container roll-on roll-off barge terminal

Background/Description of the Disclosure

International Container Terminal Services, Inc. (ICTSI), through its wholly-owned subsidiary, Cavite Gateway Terminal (CGT), in partnership with the Philippine Department of Transportation, launched the country's first container roll-on roll-off barge terminal in Tanza, Cavite earlier today.

In line with the Department of Transportation's national transport plan, CGT will facilitate off-the-roads seaborne transport of containers between the Port of Manila and Cavite and service industrial locators in Cavite area.

CGT's barge terminal features an annual capacity of 115,000 TEUs, which is equivalent to 140,000 fewer truck trips on city roads each year. The terminal will be integrated with other major Luzon port facilities for more cost-effective and time-bound access to the Cavite market.
