---

**Item 9: Other Events**

International Container Terminal Services, Inc.'s (ICTSI) gross revenues from port operations in 2018 increased by 11 percent to US\$1.385 billion from US\$1.244 billion the previous year. The increase in revenues was mainly due to volume growth; new contracts with shipping lines and services; increase in revenues from non-containerized cargoes, storage and ancillary services; tariff adjustments; and the contribution of the Company's new terminals in Lae and Motukea in Papua New Guinea, and Melbourne, Australia. Excluding the new terminals, consolidated gross revenues would have increased by seven percent. For the fourth quarter of 2018, gross revenues from port operations increased by 17 percent to US\$380.1 million from US\$326.2 million in the same period in 2017.

This disclosure is in accordance with Section 4.4 of the Revised Disclosure Rules of the Philippine Stock Exchange effective 2003.

Pursuant to the requirements of the Securities Regulation Code, the registrant has duly caused this report to be signed on its behalf by the undersigned hereto duly authorized.
