(b) The selling party shall advise the corporate secretary in writing, specifying the price at which said party wants to sell the subject shares and the corporate secretary shall promptly advise the other stockholders (remaining stockholders) in writing of said offer. Interested remaining stockholders shall have thirty (30) days from receipt of notice within which to accept the offer in writing, directed to the corporate secretary. (Amendment as of April 12 and June 28, 1991).

Sales to third parties made in violation of the right of first refusal shall be void. Third parties shall be those who are not stockholders at the time of the offer, which shall include an offer made directly by a stockholder to any other but not all of the stockholders. The above provisions shall be without prejudice to any pre-incorporation agreement, which shall be binding to the signatories thereof. The foregoing restriction shall be indicated in all the stock certificates to be issued by the corporation.

No transfer of share of stock which will reduce the ownership of Filipino citizens to less than the required percentage of capitals stock as provided by existing laws shall be allowed or permitted to be recorded in the proper books of the corporation and this restriction shall be printed in all the stock certificates to be issued by the corporation.
